

Departments Page on Legislative Website

To navigate to the departments page on our website, click on the **Publications** tab along the top of the screen and then click on the **Departments & Agencies** link along the left-hand side of the screen. Choose the department you wish to view from the Department Name drop-down provided at the top of the page or click on the linked department name on the page.

Department of Education

The Department of Education and the State Board of Education provide oversight, supervision, and support for the state education system, which includes all public preschool, elementary, and secondary schools; nonpublic schools that receive state accreditation; area education agencies; community c...
